

## The AAA Championships 1880-1939

Since Ian Buchanan's book was published as No.7 in the NUTS Historical Series in 2003, a number of additions and amendments have been supplied by Trevor Clowes, Peter Lovesey, Keith Morbey and John Edwards.

### 100 yards:

1880 - 3. H.M.Massey inches.

1900-04 - A.Duffey. *Note spelling.*

1901 - Add note: D.Murray won Heat 1 in 10.0, later ratified as a British Record.

1927 - 6. B.M.Norton (Achilles/USA). A photo in the "Sporting Chronicle" shows six finalists; Hodge appears to be 1½ to 2yds behind Houben and inches ahead of London, with Simmons and Norton a good 2yds back.

1936 - 4. A.Pennington in 9.9, 5. E.L.Page 10.0e, 6. C.Berger (not dns), from Newsreel footage

1938 - Arthur Sweeney also ran 9.8 in a semi-final.

### 220 yards:

1911 - F.J.Halbhaus. *Note spelling.*

1920 - add G.M.Butler (Achilles). There may have been another finalist, as Abrahams (4th in final) was 3rd in his semi-final.

1931 - note Murdoch 22.5 heat, Hanlon 22.4 heat, Engel 22.5 heat.

1936 - 3. W.van Beveren 22.2e, 4. A.Pennington 22.3e, 5. W.Rangeley 22.3e, 6. C.Wiard 22.3e from Newsreel footage

### 440 yards:

1880 - W.L.R.Beverley was Oxford UAC.

1882 - C.S.Johnstone.

1886 - add A.Wharton (Darlington Coll/Gold Coast) dnf.

1937 - "The Morning Post" gives Wylde 49.0 and Horsfall 49.1, whereas Harold Abrahams had 49.2 and 49.3 in "The Sunday Times". The original estimate of a 10-yard margin between the winner and Wylde equates to 49.4, and so perhaps Abrahams's times are the more accurate.
